At BC Christian Academy, we desire to partner with parents who choose to homeschool their children. As per Ministry of Education guidelines, homeschooled children must be registered with a public or independent school. Therefore, at BCCA we offer the following to parents:

- Registration with our school
- Access to our Library
- Consultation with our Principal – as per parent’s request
- The ability to borrow text books from BCCA (a \$100 security deposit is required)
- FSA testing participation if desired
- Provincial Exams
